

Celebration of World Intellectual Property Day

The World Intellectual Property Day (WIPD) was celebrated at ICAR-Indian Institute of Soil Science on April 30, 2024. The objectives of the WIPD are: to spread awareness about intellectual property (IP) rights and to encourage innovation and creativity to drive human progress. This year's theme is "IP and the SDGs: Building our common future with innovation and creativity".

On this occasion Dr Debasis Chatterji, founder and CEO, Confiscore under the umbrella of Hybrid Mind India Pvt. Ltd. delivered a lecture on "Power of Intellectual Property Rights". The programme was Chaired by Dr. S. P. Datta, Director, ICAR-IISS and attended by more than 100 participants comprising Scientists,

technical, Research associates, students and others. The lecture was followed by question answer session where several queries of the participants were answered by the speaker. In the concluding remarks Dr. S. P. Datta emphasized the importance of Intellectual property management and also urged the Scientists to pay more time in the creation and protection of IP.

The programme was organized by Institute Technology Management Unit (ITMU). Earlier, Dr Sanjay Srivastava, in-charge, ITMU highlighted the importance and genesis of World Intellectual property Day. The seminar ended with vote of thanks to all.
