With reference to RTI on Problems arises in Agriculture when Bauxite Mines were running without environmental clearance certificate in Lohardaga District of Jharkhand. I would like to know that whether there specific problem reduced after getting environmental clearance certificate to few Bauxite Mines in Lohardaga District.

Reply

No information is available on particular subject as AICRP on micronutrients centre at Ranchi , Jharkhand is working on Micronutrients (Zn, Fe, Mn, Cu, B and S), not on environment under Bauxite mines.
